This is an indicative programme of key milestones for the Creyke Beck project only, which is subject to change:

- **2010** Work began on projects.
- **2015 Consent granted** - a Development Consent Order.
- **Summer 2017** New joint venture company established to progress projects.
- **Early 2018** Work began to discharge DCO requirements.
- **June 2018** DCO amendment for Creyke Beck offshore aspects of projects submitted.
- **Throughout 2019** Various surveys to facilitate construction.
- **Late 2019/early 2020** Onshore construction to commence.
- **2021/2022** Offshore construction to commence.

What’s next for Dogger Bank

Exhibitions such as this are a very important part of the Dogger Bank Wind Farms development. The purpose of this exhibition is to engage with the local community and interested parties about our proposals and the work so far. The exhibition is a chance for us to share our plans and is an opportunity for people to raise questions, concerns, ideas or comments. You can keep up to date with the progress of the project at [www.doggerbank.com](http://www.doggerbank.com).

Please take the opportunity at this exhibition to speak to our project team today and ask questions about the proposal. Dogger Bank Wind Farms would welcome the submission of comments in respect of the proposal. If you have a few minutes please complete the exhibition feedback form.
